

Sports Arena for Our Community

Tuesday, 7th February 2017

Attention Discovery Coast community members: we are opening our Sports Arena for your use after school hours.

Over the summer school holidays, the covered sports arena has been given a synthetic non-slip surface along with all the necessary line markings for the range of sports that can be played there, including:

- Basketball,
- Netball,
- Futsal,
- Tennis,
- Volleyball and
- Badminton.

With our surrounding nets, we also have the option of Indoor Cricket.

We would like to invite our parents, their friends and all our community members to enjoy playing sport at our Sports Arena after school hours.

To ensure the fair use of our facilities, **please book** the Sports Arena by calling **(07) 4974 7336** before 4pm during the week.

Terms and conditions apply.

It will be great to see young and old alike enjoying our facilities.

God bless you all!

Damian Higgins,
Principal
