Student Attendance

Non-attendance is tracked and carefully monitored by the College. A digital roll is marked each lesson in Secondary and each morning in Primary. Parents are asked to contact the College prior to the commencement of the school day to advise of student absences. Any unexplained absences are followed up with a text message to parents, where an explanation is sought for the student's absence. In cases of prolonged non-attendance, this is followed up by the College Leadership Team and in extreme cases, the relevant authorities notified to remedy the situation.

Student Attendance Rate - 82.63% Overall

Apparent Retention Rate: Year 10-12

The apparent retention rate represents the number of students who enrolled in year 10 in 2023 as compared to the number who were enrolled in Year 12 in 2025.

Culture

Social Climate

College staff passionately invest in nurturing student growth through an intentional combination of pastoral care and student-centred learning experiences. Knowing both who students are, as well as how they learn sit as central pillars within the College community, enabling the expression of the College motto '*Character, Community & Excellence*' to be evidenced in all aspects of College life.

At Discovery Christian College, every member of the College community has the right to be treated with respect, dignity and understanding hence, there is a zero-tolerance approach to bullying behaviour. Incidents are dealt with through the College's Character Development Framework. Any reports of bullying are carefully documented and fully investigated.

- **Pastoral Care:** The College utilises a mixed gendered year level based Pastoral Care program, enabling the intentional development of support networks and connections.
- **House Groups:** Each student belongs to one of four house groups which add an additional framework for whole school competition, in sporting and cultural domains.

Parental Involvement

Parents are regularly invited to participate in College events and activities. In addition to this, parents are involved in focus groups and workshops with College leadership staff to provide feedback and suggestions regarding educational and strategic aspects of the College. Parents are actively encouraged to be a part of all College events.

Parent, Student and Teacher Satisfaction with the College

Throughout 2025, a number of focus groups and surveys were conducted with parents, staff and students to ascertain feedback on College operations along with strategic and educational aspects of the College. This feedback was used to shape subject selections along with broader performance objectives for the College, including the College's strategic plan, behaviour management framework and teaching and learning framework.
